

All pathways lead to **EXTRAORDINARY**

Explore our foundational roles and uncover a career path tailored to you, with our full support and funding.

All this and more is available to you on **your first day** of employment.

Tuition Reimbursement

We'll support you in your educational journey by offering **\$5,000/year** tuition reimbursement benefit (\$20,000 maximum).

Paid Job Shadow Opportunities

Employees are eligible for 8 hours of paid job shadowing when exploring pathway roles. Ask if your role qualifies.

Work-Life Balance

Life can get busy. We offer **several scheduling options** to help you balance your priorities.

Career Navigator Support

Our Navigators can help you decide which Pathway is right for you and provide the tools and resources to get there.
